# ENERGY MANAGEMENT **SERVICES:**

## **1** On-Site Walkthrough

Total Building Review, HVAC, Lighting, etc.

## **2** Prescription

Good, Better, Best options

## **3** Utility Program Selection

We'll help you make the most out of **rebates**

## **4** Payback & Financing

Calculate payback & identify financing options

## **5** Implement, Implement, Implement

We will guide you to completion

## **6** Reporting, Tracking & Updating

Progress updates, High usage alerts

It's really very **simple**. We'll take a look at your energy usage history and your facility. We'll do some homework and come back to you with **expense-saving** action recommendations and a clear idea of **potential savings** for doing the right things. We'll even help you find some **financing** if that's what it takes to **get the job done**.
